

AKSHAD YEMUL

Computer Science Student

 +91-7498638013  akshadyemul05@gmail.com  [LinkedIn](#)  [Github](#)  [Portfolio](#)

Objective

Driven Computer Science engineering student with a strong foundation in programming, web development, and problem-solving. I enjoy building practical projects, exploring system-level concepts, and continuously improving my technical skills. Seeking an internship where I can apply my knowledge, learn from real-world engineering challenges, and contribute meaningfully to a development team.

Skills

Programming: Python, C, C++, ReactJS, JavaScript, Git, Linux

CS Fundamentals: Data Structures, Algorithms, OOP, Operating Systems, DBMS

Tools: VS Code, GitHub, Linux Environment

Soft Skills: Communication, Problem Solving, Teamwork

Projects

Portfolio Website | *React.js*

2025

- Developed a responsive personal portfolio website using React.js and modern UI practices.
- Implemented reusable components, smooth navigation, and a clean design.
- Deployed on GitHub Pages with version control using Git.

Smart Dining (In Progress) | *React.js*

2025

- Developing a web-based table booking and food ordering interface as part of a college project.
- Building modular components for menu display, booking flow, and order management.

Certifications

Research Paper Publication

2025

IJIRSET, Volume 14, Issue 11

- Published the research paper “Smart Dining: A Web-Based System for Table Booking, QR Code Ordering.”

Experience

Internship Seeking Candidate

2025 – Present

Actively Preparing for Opportunities

- Building personal projects to strengthen web development and system-level understanding.
- Practicing DSA, exploring open-source contribution, and preparing for technical interviews.

Education

B.Tech in Computer Science Engineering (6th Semester)

2026 – Present

Dr. Babasaheb Ambedkar Technological University, Solapur Campus
